# ***The Honor's Book Club***

The Honor's Book Club is open to anyone who wishes to purchase a book for the Eileen Perkins Library Media Center to honor someone of their choice. Suggestions for purchasing a book might be, but not limited to:

- Honor a graduating Senior
- Celebrate your child's birthday
- Honor the memory of a deceased loved-one.

A special bookplate will be inserted into each book stating in who's memory and by whom the book was purchased.

Selections can be made from a pre-selected list of titles. Titles on the list are carefully selected for age-appropriateness, curriculum relevance, and or national book awards. The list can be viewed at the Library Media Center, the H.S. office or the M.S. office.
